Stroll through the charming streets and gardens of Victoria, British Columbia, or uncover the rich culture and hidden treasures of Mexico's towns and villages. From coastal elegance to vibrant heritage, North America offers unforgettable moments just waiting to be discovered.

Victoria, BC

British Columbia’s capital, Victoria, boasts Canada’s mildest winters—so no wonder it has the country’s fastest-growing retirement community!

Victoria lies in a beautiful natural setting on Vancouver Island, waterfront but surrounded by hills and looking out to the snow-clad Olympic mountains. It is a charming city with, it has been said, the atmosphere of a seaside resort. With its turn-of-the-century buildings and tweed and wool shops, you might be inclined to think Victoria is a transplanted corner of Britain! It is an ideal city for those who love to walk, and active seniors with an appetite for adventure will find a vast array of delightful side trips available (in addition to the many included in our program).

So this winter, don’t bother with your passport, exchange rates or bottled water. Just come with us to this Canadian jewel!

Our hotel in Victoria will be the Royal Scot Hotel & Suites. This superior Canada Select 4-star, AAA 3-diamond hotel is perfectly located one block from the Inner Harbour and within easy walking distance of the BC Parliament Buildings, downtown and the iconic Empress Hotel. The hotel has an indoor pool, whirlpool, sauna, exercise room, billiards and games room, an onsite restaurant and lounge, gift shop, guest laundry facilities, free Wi-Fi and a free shuttle service that runs from the hotel to the downtown core for the exclusive convenience of hotel guests.

No matter what you choose, a warm welcome and an incredible experience await—guaranteed.

Bermuda

With pink sands and turquoise waters, British customs and a romantic vibe, this charming island is the perfect setting for an unforgettable holiday in the sun.

Bermuda. It's where shell-pink beaches meet warm waters shining a hundred shades of turquoise. Where fragrant flowers splash colour everywhere you go, and pastel houses, stately mansions, ancient forts, and narrow country roads offer plenty of old-world charm. It's no wonder Bermuda has been voted "Best Island to Visit in the World" by Condé Nast—18 times!

You'll love the British heritage: in Bermuda, they drive on the left, serve tea promptly at 4:00, police are known as bobbies, cricket is the national sport—and yes, they do actually wear Bermuda shorts!

Our hotel in Bermuda is the first-class Grotto Bay Beach Resort & Spa, located on a secluded cove with 21 acres of landscaped gardens and spectacular views of Bermuda's azure waters. The lovely oceanview guest rooms are all beautifully appointed, with two doubles or one king bed, mini-fridge, coffee maker and private balcony or patio.

Hotel facilities include a restaurant, bar, convenience shop, 2 private beaches, jacuzzi, tennis courts, exercise room, swimming pool, spa, guest laundry and evening entertainment. THINGS TO DO

This holiday is best suited for those who enjoy exploring at their own pace, and the simple pleasures of beautiful beaches and warm, sub-tropical days. Here are some ideas for you to enjoy.

Walk (or ride) the island from end to end
A former island railway is now the scenic Bermuda Railway Trail National Park, where you can stroll and take in some truly spectacular scenery.

Hit the greens!
Bermuda is a golfer's paradise, with courses featuring vistas you have to see to believe, designed by famous course architects and played by the world's greatest golfers. Tee-off times can be arranged.

Visit Walsingham Nature Reserve
Spend the day strolling, snorkelling, or swimming at this amazing 12-acre natural wonder. Dive into the inviting blue-green waters of the awe-inspiring Causeway Cave, a popular deep-water grotto.

Classy and chic, Barbados is famed for its soft white-sand beaches, perfect climate and distinct personality. The arts scene is vibrant here, shopping amongst the best in the Caribbean and visitors are warmly welcomed at local events from cricket matches to live concerts.

From the rugged beauty of the east coast to the serene elegance of the west coast, with acres of sugar cane in the middle, it is one of the most varied and scenic islands.

As the “Culinary Capital of the Caribbean”, Barbados brings together the influences of African, Caribbean, West Indian and European delights to create a unique culinary experience. Of course fish is a mainstay, including Flying Fish—a national symbol of Barbados, but your options range from elegant sophistication to funky street food.

Sightseeing on the island is a pleasure with many historic UNESCO World Heritage sites, splendid architecture and rich cultural attractions. But it is the friendliness of the people that will leave a lasting impression.

Our hotel during our stay is the beachfront Barbados Beach Club—a great-value, informal all-Inclusive resort located on the south coast in laid back Maxwell Gap. You may prefer to lounge by the beachfront poolside with a rum punch in hand. This is also the spot for an early morning dip or to join a water aerobics class. Enjoy the water toys such as kayaks, paddle boats, and snorkelling equipment—available on-site and included in your stay. Within walking distance or a short taxi ride away is bustling St. Lawrence Gap with its many fun restaurants and pubs including karaoke venues, sports bars, and classic old rum shops.

Three meals daily, afternoon tea and unlimited beverages (soft drinks, juice, beer, wine, local spirits, cocktails and smoothies) are all included at the Barbados Beach Club.

Then we visit the historic capital, Bridgetown, a designated UNESCO World Heritage Site, where we see the 19th-century Parliament Buildings and a synagogue (with attached museum) built in 1654 (one of the oldest synagogues in the Western Hemisphere). We first visit the important historical site of St. Nicholas Abbey Great House and Distillery. Built almost 350 years ago, this sugar plantation is well maintained and has retained its architectural beauty. The distillery here produces award-winning rums, and our local guide will educate us on the history and rum making process at the Abbey. We will take a ride on a steam locomotive through the plantation fields and mahogany woods, ending with a breathtaking view from Cherry Tree Hill of the rugged east coast and Scotland District. Our last stop will be at the Flower Forest Botanical Gardens, 53 acres of tropical trees and flowering plants which bloom year-round.

Calabria— Southern Italy

Plus Rome

Late winter and spring are lovely times of year to visit Southern Italy, as the pleasant mild climate is ideal for walking and exploring the small villages and towns of the Calabrian region—the “toe of the boot” of Italy.

Calabria is one of Italy's most untouched regions, off the major tourist routes, where old traditions thrive, and ancient festivals and customs are still enjoyed. From secluded valleys to remote hilltop villages, Roman ruins to Romanesque cathedrals, this is a region steeped in history. The dramatic coastline is studded with secluded beaches and bustling resorts, making Calabria a destination with something for everyone.

We will explore vibrant markets, taste regional dishes, and visit tiny hilltop villages where time has stood still for centuries.

Our home base will be the well-located seaside town of Siderno, in the moderate Grand President, an easy 2 km walk away from the town centre. The hotel overlooks the Ionian Sea, accessible via the hotel's private pedestrian tunnel. It has a restaurant, bar, tennis court, and fitness centre, and each comfortable guest room has a balcony or terrace. All meals are included daily, and Wi-Fi is complimentary.

En route to Calabria, we'll enjoy an overnight stay in Rome—“The Eternal City”—with a city tour, lunch at a local restaurant, and dinner included.

TOUR HIGHLIGHTS

- Stay at a family-owned beachfront resort
- Lunch at the home of a Calabrian family
- Visit to a local olive oil farm

INCLUDED EXCURSIONS

Gioiosa Ionica

We will start with a trip to Gioiosa Ionica, a typical village with a stop at the open-air market to see (and sample!) the fresh, colourful local produce. Our lunch today will be at the home of a Calabrese family.

Gerace

A half-day tour to the magical town of Gerace, nicknamed Calabria's “tiny Florence” thanks to its wonderfully preserved medieval past. The historic centre is full of beautiful old churches and buildings, many of which are dug directly into the rock.

Siderno Superiore

We will visit this small, ancient village to see how the villagers live, then enjoy a typical regional lunch with local products.

Reggio Calabria

We will take a full-day tour to Reggio Calabria, the region's largest town, taking in the picturesque countryside, with a stop to see the Bronzi di Riace at the National Museum. We will also visit the enchanting coastal village of Scilla—a place reminiscent of the famous Cinque Terre, with colourful houses overlooking calm waters, but not nearly as many tourists!

Locri

Sitting among hectares of ancient olive groves is the most important archaeological area in Calabria. Established by the ancient Greeks between the 8th and 7th century BCE, this seaside town was once the centre of the political and artistic life in Magna Graecia (the Greek settlement in what is now Southern Italy). We will visit a museum with locally excavated finds including Hellenic pottery, architectural remains and objects used by women in everyday life.

Farm Visit

We will spend some time at a local farm to see how olive oil and wine are produced in the region—and have a chance to sample the delicious products.

Calabrese Dinners

We will enjoy two special dinners with delicious regional specialties, featuring performances by local musicians, plus a gala farewell dinner on the final night.

Cultural program

This trip is a chance to immerse ourselves in the warm and vibrant Calabrian culture: the hotel hosts a variety of wonderful programs, including language lessons, cooking demonstrations, music, folklore and artisan presentations.

Rome

On our city tour of Rome we'll see the highlights—a half day panoramic tour of the monuments and places that made the history of the ancient Roman Empire: Colosseum, symbol of the Eternal City, Roman Forum, Capitoline Hill, Piazza Venezia, Theatre of Marcellus, Mouth of Truth, Temple of Vesta (all exterior only).

Magic of Sicily

Sicily is the Mediterranean’s largest island and boasts a proud culture distinctly different from the rest of Italy.

It’s a destination rich in culture, customs and tradition as evident in the local art, music, cuisine, architecture, and even its own language—and a wonderful choice for the history buff. It is also incredibly scenic, with a coastline of pristine sandy beaches, dramatic cliffs, and rocky shores with crystal-clear azure waters. Inland, you’ll find rolling hills, fruit and olive orchards, ancient villages, and archaeological treasures.

We begin with 3 nights in Palermo, followed by 6 nights on the western side of the island in Mazara del Vallo, famous as one of Italy’s foremost fishing harbours. Mazara is a diverse, multi-ethnic city where the people are known for their warm hospitality. The area has seen myriad rulers (including Arabs and Normans) which is apparent in the great variety of architectural styles.

We then travel to the eastern side of the island for a 7-night stay in the lovely resort town of Taormina, which stretches out along the Ionian Sea. En route we visit The Valley of the Temples in Agrigento—one of Sicily’s most important archaeological sites. Our sightseeing in this area will include the clifftop resort town of Taormina, the bustling city of Catania, ancient Syracuse and the typical Sicilian towns where “The Godfather” was filmed!

Sicily & Malta

Join us at the perfect time of year to visit two of the Mediterranean’s most interesting and historic islands, each so different from the other.

We begin this delightful tour on the beautiful island of Sicily, filled with art, archaeology, history, distinct cuisine and famous wines. Sicily has been a Greek colony, a Roman province, an Arab emirate, and a Norman kingdom: truly an eclectic history. With a diversified landscape of orange and lemon orchards, lush forests, ancient olive groves, rugged shorelines, and crystal blue waters, there is no other place on earth quite like this Mediterranean gem.

After our stay in Sicily we take a flight to Malta via Rome. Blessed with a warm, sunny climate year round, friendly, English-speaking people, and 7,000 years of intriguing history, Malta, which had a long association with Britain, is a wonderfully surprising vacation destination. The diverse nationalities that have occupied Malta over the centuries have blended to result in a uniquely Maltese culture. The narrow meandering streets of the towns and villages are crowded with Renaissance cathedrals and Baroque palaces, and the countryside is dotted with some of the oldest known human structures in the world, which is why Malta has often been described as an open-air museum.

In Malta we stay at the first-class Doubletree by Hilton, located right on the promenade overlooking the Bay of St. Paul. The small town of Bugibba is just a few minutes’ walk from the hotel and offers a variety of shops, cafés, bars and restaurants. Features of the hotel include restaurants, bar, casino, comfortable lounges, indoor and outdoor swimming pools, spa, exercise classes and live music on most nights. The comfortable guestrooms have a seaview and are contemporary in design. Wi-Fi is complimentary throughout the lobby and rooms. We will overnight in Rome en route home at an airport hotel.

Then we drive into the countryside to visit a local cheese farm and learn how Dutch cheese is made. On our way back to the ship we will enjoy a short walk through the quaint village of Edam.
