Bermuda. It's where shell-pink beaches meet warm waters shining a hundred shades of turquoise. Where fragrant flowers splash colour everywhere you go, and pastel houses, stately mansions, ancient forts, and narrow country roads offer plenty of old-world charm. It's no wonder Bermuda has been voted "Best Island to Visit in the World" by Condé Nast—18 times!

You'll love the British heritage: in Bermuda, they drive on the left, serve tea promptly at 4:00, police are known as bobbies, cricket is the national sport—and yes, they do actually wear Bermuda shorts!

Our hotel in Bermuda is the first-class Grotto Bay Beach Resort & Spa, located on a secluded cove with 21 acres of landscaped gardens and spectacular views of Bermuda's azure waters. The lovely oceanview guest rooms are all beautifully appointed, with two doubles or one king bed, mini-fridge, coffee maker and private balcony or patio.

Hotel facilities include a restaurant, bar, convenience shop, 2 private beaches, jacuzzi, tennis courts, exercise room, swimming pool, spa, guest laundry and evening entertainment. The hotel is a 10-minute bus ride from historic St. George's and 20 minutes from Hamilton, with bus stops right at the resort entrance.

Go snorkeling

Bermuda is the shipwreck capital of the world, with over 300 shipwrecks in the waters around the islands, some dating as far back as the 1600s. Many are easy to see if you're snorkeling.

Walk (or ride) the island from end to end

A former island railway is now the scenic Bermuda Railway Trail National Park, where you can stroll and take in some truly spectacular scenery.

The Bermuda Zoo and Aquarium

We visit this facility which showcases marine and other animal life from Bermuda and around the world, including seals, turtles, monkeys, and birds, as well as the world's first living coral reef exhibit.

Hit the greens!

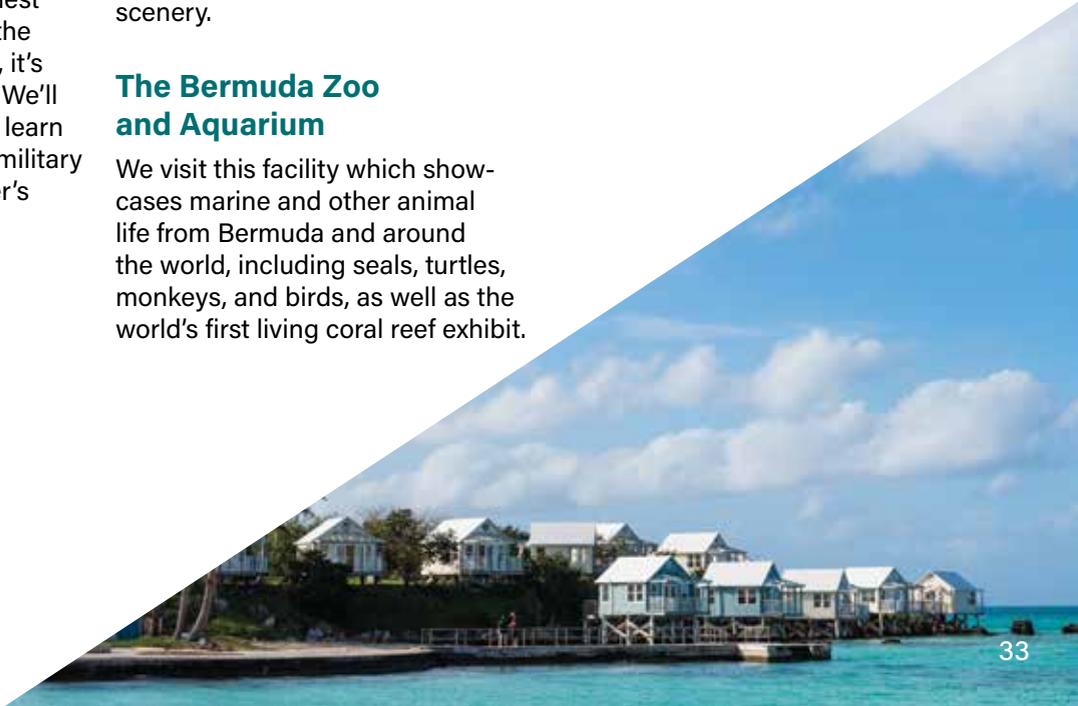

Bermuda is a golfer's paradise, with courses featuring vistas you have to see to believe, designed by famous course architects and played by the world's greatest golfers. Tee-off times can be arranged.

Visit Walsingham Nature Reserve

Spend the day strolling, snorkelling, or swimming at this amazing 12-acre natural wonder locally known as Tom Moore's Jungle, named for the Irish poet who favoured the area for writing. Dive into the inviting blue-green waters of the awe-inspiring Causeway Cave, a popular deep-water grotto.

Just... relax

The island's blissful pink sand beaches are its biggest draw. Enjoy our resort's stunning private beach, cocktail in hand. Laze around in the shallow blue waters, take a dip in the freshwater pool or have a soak in the outdoor jacuzzi.

Calabria— Southern Italy

Plus Rome

Fall and Christmas are lovely times of year to visit Southern Italy, as the pleasant mild climate is ideal for walking and exploring the small villages and towns of the Calabrian region—the “toe of the boot” of Italy.

Calabria is one of Italy's most untouched regions, off the major tourist routes, where old traditions thrive, and ancient festivals and customs are still enjoyed. From secluded valleys to remote hilltop villages, Roman ruins to Romanesque cathedrals, this is a region steeped in history. We will explore vibrant markets, taste regional dishes, and visit tiny hilltop villages where time has stood still for centuries.

Our home base will be the well-located seaside town of Siderno, in the moderate Grand President, an easy 2 km walk away from the town centre. The hotel overlooks the Ionian Sea, accessible via the hotel's private pedestrian tunnel. It has a restaurant, bar, tennis court, and fitness centre, and each comfortable guest room has a balcony or terrace. All meals are included daily, and Wi-Fi is complimentary.

En route to and from Calabria, we will enjoy an overnight stay in Rome with dinner included.

Sicily & Malta

Join us at the perfect time of year to visit two of the Mediterranean's most interesting and historic islands, each so different from the other.

We begin this delightful tour on the beautiful island of Sicily, filled with art, archaeology, history, distinct cuisine and famous wines. Sicily has been a Greek colony, a Roman province, an Arab emirate, and a Norman kingdom: truly an eclectic history. With a diversified landscape of orange and lemon orchards, lush forests, ancient olive groves, rugged shorelines, and crystal blue waters, there is no other place on earth quite like this Mediterranean gem.

After our stay in Sicily we take a flight to Malta via Rome. Blessed with a warm, sunny climate year-round, friendly, English-speaking people, and 7,000 years of intriguing history, Malta, which had a long association with Britain, is a wonderfully surprising vacation destination. The diverse nationalities that have occupied Malta over the centuries have blended to result in a uniquely Maltese culture. The narrow meandering streets of the towns and villages are crowded with Renaissance cathedrals and Baroque palaces, and the countryside is dotted with some of the oldest known human structures in the world, which is why Malta has often been described as an open-air museum.

In Malta we stay at the first-class Doubletree by Hilton, located right on the promenade overlooking the Bay of St. Paul. The small town of Bugibba is just a few minutes' walk from the hotel and offers a variety of shops, cafés, bars and restaurants. Features of the hotel include restaurants, bar, casino, comfortable lounges, indoor and outdoor swimming pools, spa, exercise classes and live music on most nights. The comfortable guestrooms have a seaview and are contemporary in design. Wi-Fi is complimentary throughout the lobby and rooms. We will overnight in Rome en route home at an airport hotel.

Tunisia

With wide sandy Mediterranean beaches, 300 sunny days a year, white-domed architecture, and modern comforts, Tunisia is a favourite budget-friendly vacation spot.

Relax on the beach or enjoy local wine or coffee in a seafront café. Explore Tunisia's historic and cultural sights: magnificent mosques, museums, Roman ruins, Christian mosaics, and medieval fortresses. The older town sections (medinas) are crammed with Turkish baths, kasbahs, mosques, and bazaars. Life continues here as it has for centuries.

We begin with 4 nights in Hammamet, a town on the coast with sandy beaches and surrounding fragrant groves of citrus trees. The town is protected by the ancient wall of the Medina—a maze of narrow streets loaded with shops, stalls, and a great place to spend the day hunting for bargains. There is lovely domed architecture, a local market and a 15th-century fort which rises dramatically from the sea.

After Hammamet we depart on a 4-night coach tour to the south where we see many of the amazing sights for which Tunisia is known—the Holy City of Kairouan, desert oasis, Berber villages, Roman ruins and desert resorts. Our coach tour ends in the resort town of Sousse for a 4-night stay. Here we can enjoy the resort atmosphere, stroll through the historic medina, visit the excellent museums and view the Great Mosque and world-class marina. We finish off with 2 nights in the beautiful seaside town of Gammarth, near the capital—Tunis.

On the north coast of the Dominican Republic, Amber Cove (named for the translucent gemstone found on its shores), sits just seven miles from the town of Puerto Plata. This cinematic locale was used as the backdrop for the first Jurassic Park film.
